

Stan Wilton 1944 - 2023

How will we remember him?

The dog walker with cap and cane
Walking the fields and village lanes
The football supporter with stop watch and book
Giving every ball a cheer or a withering look
The mentor helping us learn to read
To understand the words and pick up speed
The Treasurer counting every penny
Give him a receipt or you wouldn't get any
The Councillor dealing out advice
Sometimes even before thinking twice
The Governor with knowledge vast
Of rules of the present and events of the past
The neighbour picking up post from the mat
Watering the garden feeding the cat
The good friend who never forgot
To pop a birthday card through the letter slot

Always chatty sometimes lonely
..... Our Stanley the one and only.
