Dear Pat,
 Thanks so much for your
 letter. I liked it immensely
 I shall have quite a collection shortly.
 We are news having beautiful
 weather, quite summer-like, the
 temperature for the last five
 days has been 70 to 60° in the
 day and 40 to 50° at night.
 No you can tell how hot it has
 been. You very welcome though after
 the severe weather we had last
 month, it feels grand to be having
 good weather. Better this morning &
 will write to Nellie tomorrow.
 Oh, oh, how's a spy so I must give
 our taking, how does this picture
 suit, hoping all the well as might
 like, give my best thanks
