Dear & little,

Thanks very much for your letter of yesterday, no. Haven't seen Albert yet from within front door from what I can gather. Yes I like Gardin's shirt is very pleased to receive some as you are waiting for the Red Cross I should be glad of a po. of socks if you can send them as I am rather short in the Department.

Pleased you liked the card designed. The Red Cross concern which was such a success. I see Lord Derby's Campaign is making some of them quite right too, its quite some of them a bit. Please return my kind regards to Mrs. Hancock.
