

Foremark Apprentices 1809 - 1833

Introduction

This typescript brings together the pertinent apprenticeship information from the surviving apprenticeship documents for the parish of Foremark, which are deposited in the Derbyshire Record Office. They comprise:

D808 A/PO 1/1 Register of Parish Apprentices 1809 - 1833
D808 A/PO 1/2 - 3 Apprenticeship Indentures 1830 - 1833 -

The documents have been microfilmed (Ref: XM 1/349 item 3) and are available in that form in the Derbyshire Record Office.

The apprentices were all poor or pauper children who qualified because of their circumstances to have apprenticeships arranged by and paid for by the Overseers of the Poor of the parish. Whether it is significant that all of the surviving indentures are those for apprentices from the township of Ingleby within the parish of Foremark is not known.

At the back of this typescript there are both surname and location indices.
